

Dear NELTA Life members,

NELTA has successfully installed the member login feature on our [website](#), [Android](#) app and iOS app (coming soon). Through this feature, it will be accessible to explore the information, news, notices, scholarships, conference, trainings, workshops and many more.

The login feature requires your registered email. If you are trying to log in for the first time, try the [forgot password](#) feature. You will get a code at the registered email address. The code will be your temporary password. Try changing your password once you get to your profile.

In case you have not registered your email or have lost your previous one, write an email to ccnelta@gmail.com stating your problem with the proof of your membership.
